L E T T E R

FROM

THE SECRETARY OF THE TREASURY,

TRANSMITTING

A COPY OF A COMMUNICATION FROM THE SECRETARY OF WAR
SUBMITTING AN ESTIMATE OF DEFICIENCY APPROPRIATION
FOR MILITARY ACADEMY.

JANUARY 14, 1902.—Referred to the Committee on Appropriations and ordered to be
printed.

TREASURY DEPARTMENT,
OFFICE OF THE SECRETARY,
Washington, January 13, 1902.

SIR: I have the honor to transmit herewith, for the consideration of
Congress, copy of a communication from the Secretary of War, of the
11th instant, submitting estimates of deficiencies in the appropriations
for pay of Military Academy on account of the fiscal years as follows:

For the fiscal year 1901	\$13
For the fiscal year 1900	13
Total	26

Respectfully,

L. J. GAGE, *Secretary.*

The SPEAKER OF THE HOUSE OF REPRESENTATIVES.

WAR DEPARTMENT,
Washington, January 11, 1902.

SIR: I have the honor to forward herewith, for transmission to Con-
gress, an estimate (\$26) of appropriation for pay of Military Academy,
required by the War Department for the service of the fiscal years
1900 and 1901.

Very respectfully,

Secretary of War.

The SECRETARY OF THE TREASURY.

2 DEFICIENCY APPROPRIATION FOR MILITARY ACADEMY.

Estimates of appropriations required for the service of the fiscal year ending June 30, 1900 and 1901, by the Pay Department, United States Army.

MILITARY ACADEMY.

Pay of Military Academy—

For extra pay of one enlisted man as assistant and attendant at the library, at 50 cents per day:

Fiscal year 1900 (act Feb. 27, 1899, vol. 30, p. 895, sec. 1)	\$13. 00
Amount appropriated for the fiscal year for which the appropriation is required	143. 50
Fiscal year 1901 (act June 6, 1900, vol. 31, p. 645, sec. 1)	13. 00
Amount appropriated for the fiscal year for which the appropriation is required	143. 50

NOTE.—The above estimate is based upon the following letter from the Superintendent of the Military Academy:

HEADQUARTERS UNITED STATES MILITARY ACADEMY,
West Point, N. Y., December 3, 1901.

SIR: I have the honor to report that the Military Academy bills for the fiscal years ending June 30, 1900, and June 30, 1901, through an error in computation in making up the estimates, were short \$13 each year for the pay of the enlisted man employed as assistant and attendant at the library. The amount required for the purpose should have been for three hundred and thirteen days, at 50 cents per day, namely, \$156.50, whereas the amount appropriated was \$143.50. I have therefore to recommend that the Paymaster-General of the Army be notified of this fact and requested to introduce in his deficiency bill the sum of \$26 for paying the amounts which were short on the regular appropriation bill. The enlisted man in question performed the duty the number of days named.

Very respectfully,

A. L. MILLS,
Colonel, United States Army, Superintendent.

The ADJUTANT-GENERAL OF THE ARMY,
Washington, D. C.

S. M. A., 858, 1901. P. M. G. O., January 10, 1902.
